Email: (An Activation Email will be sent to this Email Address)

Password: (Min 6 Characters)

Confirm Password:

Birthday: (mm/dd/yyyy)

* All Fields are Required

I agree to Voki [terms and conditions](#)

Finish Tell us More about Yourself

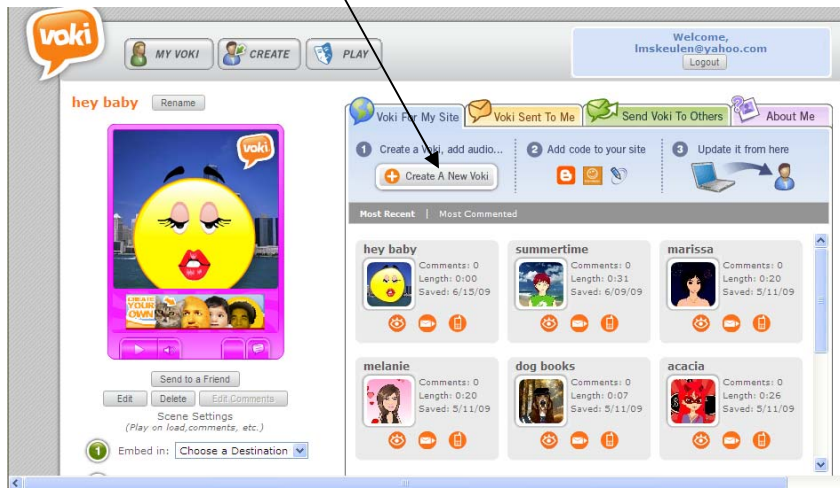

Fill this out. Keep a record of your information.

Then log on to the site.

Now make a VOKI !!

1) Create a new Voki

2) Customize your character **WARNING**
- **THIS IS FUN AND**
CAN DISTRACT
YOU!

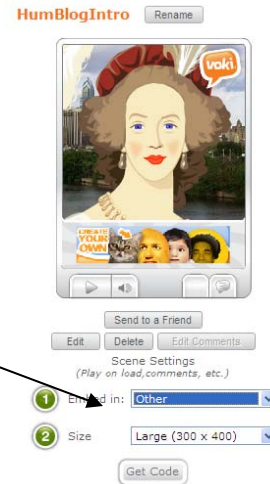

3) Give it a voice
4) Insert a background
5) Choose a player color (this is the border)
6) Publish

7) At "your scene has been saved" it may dump you out; go back and you will find it

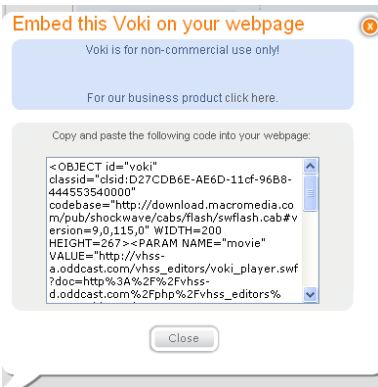

1. Choose *OTHER* from the drop-down box.

2. Select *Large* for Size (#2), and choose *GET CODE*

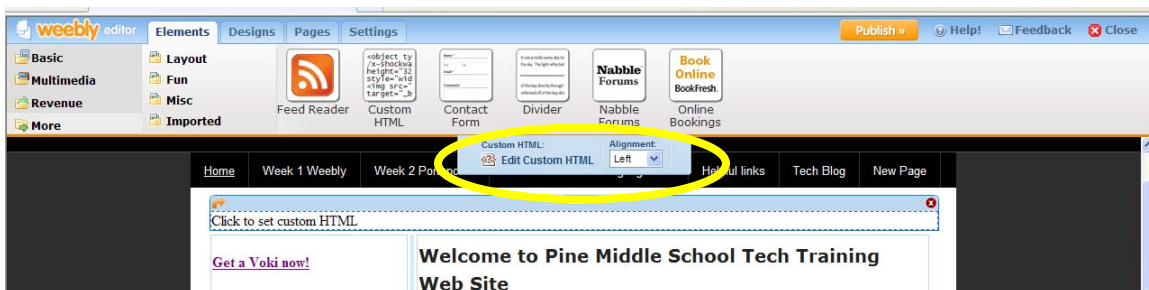

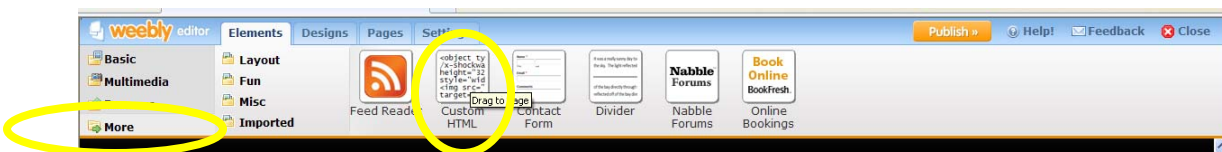

You will see:

Highlight the code and copy. Go Back to your Weebly Editor. Click on the More elements button. Select custom HTML and drag this element to the page where you want your voki to appear. Click on the Click to set custom HTML then click edit custom HTML. Paste the code into the box that appears.

SAVE

Check your work. Be sure the link works.
